

SCIENTIFIC SEMINAR SERIES

27 March 2023

Design and Function of Molecular Machines in Microbial Pathogenesis

Time: 12h00 | Monday, 27 March 2023

Venue: Room 3073, BMRI, Tygerberg Campus or virtually*

Presenters: Prof Thomas C. Marlovits

Thomas C. Marlovits is a full Professor and Director of the Institute of Structural and Systems Biology at the University Medical Center Hamburg-Eppendorf in Germany. He was previously the Deputy Scientific Director, CSSB-Centre of Structural Systems Biology in Hamburg, Germany. His research focuses on the structural basis for assembly, regulation, and function of transmembrane molecular machines.
